May 13, 2020

Dear Rockport Voters,

In this time of the Covid-19 virus, we all have to make changes in our lives to keep loved ones, family and ourselves safe. The Board of Selectmen has postponed the Local Election scheduled for May 12, 2020, until June 30, 2020 (The date on the ballot will remain May 12, 2020 even though the election is June 30, 2020.). That means that you will be able to go to your local polling place and vote for the candidate of your choice on June 30th. There are also other ways that you can vote.

The State has made allowances for the Local Election. You can vote early or absentee because of this current pandemic. All you need to do is one of the following:

- Write a short note to the Town Clerk asking for a ballot for this Local Election.
- Fill out the appropriate form available on the website or at the back vestibule of Town Hall.
- Unable to write a letter or fill out a form, let someone else fill it out.

Your signature or mark on the form or letter is necessary for the Town Clerk to mail you a ballot.

Want to vote absentee for all elections this year including the Local Election, the State Primary in September and the State (Presidential) Election in November?

- Write a short note to the Town Clerk asking for ballots for the year.
- Fill out the appropriate form available on the website or at the back vestibule of Town Hall.
- Unable to write a letter or fill out a form, let someone else fill it out.

Your signature or mark on the form or letter is necessary for the Town Clerk to mail you a ballot.

It is your right to vote, how you do it is your choice.

Stay safe,

Patricia E. Brown, CMMC
